ELECTION.

The vote for Congress in the 3d District is very close. So far as known, Foster (Rep.) has 865 majority in Hancock and 220 in Washington county, while the Democrats claimed for Brabbury 1000 majority in Aristook and 43 in Waldo, which is probably correct. This allows Foster 42 majority. An error is alleged, however, in the tootings of Hancocek and Washington in favor of Bradbury, so that the official account can only determine the result.
